JERZEES Eco® Premium Organic T

Introducing the JERZEES Eco® Premium Organic T-Shirt, a true game-changer in sustainable fashion. Spearheading a new generation, this Europe exclusive T-shirt is crafted from premium organic cotton yarn, setting a new standard in eco-friendly apparel. Crafted with ultimate comfort in mind, this T-shirt boasts a classic fit and 100% combed ring-spun cotton, ensuring a soft hand feel that's unparalleled. Made with organic yarn, it's not only gentle on your skin but also on the planet. At 165 gsm, it strikes the perfect balance between lightweight breathability and durability, making it suitable for everyday wear. The smooth surface and high-density jersey guarantee exceptional print clarity, making it ideal for customisation and personalisation. Available in a great range of colours that perfectly match the JERZEES Eco® sweatshirt range, ensuring a seamless and coordinated look. Whether you're lounging at home or hitting the streets, this unisex T-shirt is a versatile addition to any wardrobe. With features like a tear-away back neck label for individualisation, crew neck with elastic ribbing, and shoulder-to-shoulder taping, it's designed with both style and functionality in mind. Plus, enjoy the premium finishing touch of single needle stitch on the neck. Join the movement towards sustainable fashion without compromising on style or comfort. Elevate your wardrobe with the JERZEES Eco® Premium Organic T-Shirt today.
